

This Rubric is for the paper assignment portion of the Concert attendance and reaction in Mr. Hurley's Jr. and Sr. High Choirs. This is the definition of the assignment given in the Syllabus.

The student must write a one page reflection paper on aspects of the performance, both what the performer felt and heard during the performance, and what is thought of the performance when we watch the recording.

This assignment's purpose is to get students to reflect and critically think about their performances, both during and after watching. This is mostly a paper on getting the student to put their thoughts to words and express what the opinion was of the concert. There is a portion of the grade to a paragraph explain some pros and flaws in the concert which a student should be able to identify after performing and watching. Refer to the rubric below to correctly complete the assignment.
