

# Welcome!

This year at DBHS we wanted our music students and parents to be informed and never miss an important performance. We found it was easiest to use our school websites and a new music texting system with reminders for students and parents. The student text system will mostly have reminders about rehearsals changes, special music events, and call times for performances and pep band. The parent text system will consist mostly of concert dates and time reminders along with other event reminders such as the Dawson-Boyd Arts Association performances. It's free to subscribe and feel free to subscribe to **one or both** to stay connected on the music department's musical endeavors this year. You'll find below instructions for subscribing along with each of the staff websites for more information and updates on the music department.

To subscribe to the PARENTS text system:

- Send a text message to this number : **81010** with this as the message: **@dbhsmusicp**

To subscribe to the Students text system:

- Send a text message to this number : **81010** with this as the message: **@dbhsmusics**
